

ATNI-EDC Covid-19 Emergency Loan Application

Overview

The Department of Commerce Economic Development Administration's Revolving Loan Fund Program provided \$500,000 of capital to respond to the COVID-19 pandemic. ATNI-EDC is using this capital by providing a low-interest loan to businesses that have been adversely affected by the COVID-19 pandemic. Other funds will be added to the ATNI-EDC COVID-19 Response Emergency Loan Fund as they become available. Funds that revolve (i.e. loan capital that is repaid) will be recapitalized into this Fund.

Eligibility

The ATNI-EDC Covid-19 Response Emergency Loan is available to Native-owned businesses operating on or near tribal areas in the ATNI region (broadly Oregon, Washington, and Idaho). Applicants may be asked to provide proof of tribal membership or tribal decedency. Businesses must demonstrate that the loan funds will be used to mitigate hardships associated with the COVID-19 pandemic. Businesses that have received other financial relief will not be disqualified from this loan program and are welcome to apply. However, businesses seeking ATNI loans for financial needs unrelated to COVID-19 hardships are not eligible for this loan program.

Loan Amounts, Terms, and Rates

- Loan amounts may be requested between \$5,000 and \$25,000
- No loan payments are required for the first six months
- Loans must be repaid within three years
- Interest rates are:

 - o 5% year 2
 - o If loan is not repaid in full within 2 years, the interest rate will increase to 8% thereafter
