**Re: Sponsorship Request for the 2022 ATNI-EDC Economic Summit**

**Greetings!**

The **Affiliated Tribes of Northwest Indians Economic Development Corporation (ATNI-EDC)** is proud to partner with **Nixyáawii Community Financial Services (NCFS)** to present the **2022 ATNI-EDC Economic Summit** at the **Wildhorse Resort and Casino** in Pendleton, Oregon. The Summit will take place **October 16-18, 2022**. We are elated to invite you to join us as a sponsor for this event!

The theme, **“25 Years of Resilience :: Reset-Restart-Renew”** explores how Tribes consider economic development and move beyond economic parity into economic prosperity. The Summit is designed to connect tribal economic development leadership, tribal economic development staff (including general managers, economic development-related directors, planners, and tribal lenders), small-business and micro entrepreneurs, funders, and industry professionals. **Your support will directly impact Tribal Community Economy Building in the Pacific Northwest.**

ATNI-EDC’s mission is to support ATNI Member Tribes and Tribal Citizens to achieve economic prosperity. Throughout its work, ATNI-EDC provides financial and technical assistance in the priority areas of community and economic development to the 57 ATNI member tribes located in the Pacific Northwest. NCFS is a Native Community Development Financial Institution loan fund that provides loans, homeownership assistance, business development services, youth and adult financial education to members of the Umatilla Confederated Tribes, Reservation residents, and Tribal employees. Both ATNI-EDC and NCFS are incorporated as non-profit 501(c)(3) organizations in the State of Oregon.

**Thank you** for considering a sponsorship for the upcoming 2022 ATNI-EDC Economic Summit! Your sponsorship will ensure the success of this event. Enclosed you will find the Sponsorship Request Form. We are happy to work with you to customize the details of your sponsorship.
